Subject: Requesting approval for IHSS Group 900-12 (East Trenches)

Mark Aguilar:

The U.S. Department of Energy Rocky Flats Project Office is requesting approval from your staff at the U.S. Environmental Protection Agency, Region VIII, on the Draft ER RSOP FY04 Notification #04-13, IHSS Group 900-12 (East Trenches). Comments from EPA and CDPHE were originally discussed in the Documents Meeting on May 13, 2004, and revisions based on comments were sent to the EPA lead, Gary Kleeman. Minor discussions on the revisions were stated at the Documents Meeting on May 27, 2004 with staff from CDPHE. We will wait to verify that all the revisions were addressed appropriately by your staff, and then we will incorporate those changes in the final text.

This e-mail will serve as the Administrative Record documentation for the IHSS Group 900-12.

Thanks,
Norma Castaneda
